

## **Ace Marketing & Promotions, Inc. President Discusses New Advertising Technology on Stockbully.com**

2008-08-14 17:38 ET - News Release

VALLEY STREAM, NY -- (MARKET WIRE) -- 08/14/08

Ace Marketing & Promotions, Inc. (OTCBB: AMKT), a premier promotional marketing solutions company, announced today that President, Michael Trepeta, was interviewed on [www.stockbully.com](http://www.stockbully.com). In the interview, Mr. Trepeta discussed the company as a whole and also detailed their unique proximity marketing system, a technology that has the potential to significantly impact the marketing industry.

Stockbully.com gives attention to emerging growth companies that seek more exposure in the investment community. Stockbully.com is a multimedia investor relation's source that seeks out promising and mostly undiscovered companies in the market place and enables their clients to utilize multimedia marketing to gain exposure via the information highway.

"Our proximity marketing technology has the ability to send information to your Bluetooth or Wi-Fi device. That information could be a free song or video, or even an advertisement from the sponsors of a concert or sporting event. This capability has the potential to revolutionize direct advertising here in the United States," stated Ace Marketing & Promotions, Inc. President, Michael Trepeta.

About Stockbully.com

Stockbully.com differentiates itself from traditional investor relations businesses, in that it strives to take a long-term approach. It nurtures and supports promising emerging companies with the aim of growing and appreciating in value. Through exposure on the Internet, Stockbully.com enables its clients to secure a place in their respective sector. Clients with limited financial means can utilize multimedia marketing via the Internet to gain a competitive edge. For more information, please visit <http://www.stockbully.com/>.
